Cardinal Systems® Wins Manufacturing Excellence Award

Cardinal Systems, manufacturer of custom steel pool panels, sun-shelves, steel spas and drop-in steps, was given an award of Manufacturing Excellence by the Manufacturers Resource Center (MRC) of Bethlehem, PA ([www.mrcpa.org](http://www.mrcpa.org)). Cardinal Systems was one of 4 manufacturers given this award for its relentless pursuit of excellence and transformation through continuous improvement, workforce development, and a commitment to the principles of Lean Manufacturing, business growth services and enhanced leadership skills. "It was an honor to receive this award and thank our team of employees who helped us achieve this recognition," said David Bradley, Marketing Director for the company.
